BY "BUD" FISHER.

THE WANT AD SEES MORE PEOPLE IN ONE DAY THAN YOU CAN SEE IN A MONTH

Additional Society News

What kind of a noise annoys an oyster? Why, a noise which annoys an oyster. Repeat the above lines about three times, then pay a visit to the Horton restaurant on the corner of Fourth street and Central avenue, and you will speedily find out "what kind of a noise annoys an oyster." Some of the most amusing and original of the "What Kind of a Noise?" contests will be held Friday afternoon in the Y. W. C. A. parlors at 4 o'clock. Thereafter another day will be the day of regular weekly meetings, as the directors and students are desirous to suit the greatest number of attendees and not to conflict with the Friday afternoon sessions of the Women's club, as many of the ladies are members of both organizations. The Old Testament prophecies will be the theme of the coming season and the course will be outlined at the first meeting by Mrs. Ryan.
